

DESTINATION IMAGINATION
AT GOVERNOR'S RANCH

Join students from over 400 Colorado schools who are taking the Destination ImagiNation® challenge! Created by a dedicated group of volunteers that includes parents, educators and a host of concerned individuals, Destination ImagiNation is a program that takes the ideas of creativity, problem solving and teamwork and packages them in a fun and meaningful way. Based on the concept of divergent thinking - understanding that there is more than one way to solve a problem - Destination ImagiNation encourages children to build on their strengths and to discover skills they never knew they possessed, be they technical, theatrical, analytical, comic, linguistic, musical...the list goes on! Each Challenge also addresses several of the National Educational Standards. We are excited about the Challenges and about working with you to make this the best DI year for the kids!

We are once again forming Destination Imagination teams at Governor's Ranch. Not only are we looking for participants at all grade levels, we are also looking for parents who can commit to being team managers. Students will prepare for the Jefferson County Competition which will be at **Alameda High School, Saturday, March 6, 2010**. Participants are required to be available all day on competition day. Team costs will be split equally among team members. Contact Shelley Walton, DI Building Coordinator with your questions, 303-982-3992 or www.jeffcodi.org.

GOVERNOR'S RANCH ELEMENTARY
